Snowplow Sam: Snowplow Sam are introductory classes for children (ages 3-6) with no prior skating experience to build confidence while learning basic skating skills.

Basic Badges 1-6: Basic Skill Badges 1-6 teach the FUNdamentals of ice skating and provide the best foundation for figure skating, hockey, and speed skating. Six progressive levels introduce forward and backward skating, stops, edges, crossovers, and turns.

Adult 1-6: Adult classes are designed for beginning and experienced adult skaters (12 years and older) who wish to improve their skating skills. Based on prior skating experience, adults may begin at the level that best matches their skill base.

Pre Freeskiate-Freeskiate 4: Each free skate level is comprised of a variety of advanced skating skills, transitions, spins, and jumps — all of which build on the previous skill, providing skaters a strong foundation for advancing out of Learn to Skate and into advanced WFS club sessions.
