**RULE 13:** Consent Calendar Procedure:
a. For each Committee that has Consent Calendar items before it, the Committee will vote on all said Consent Calendar items before it as a whole, rather than each item separately. However, any member of the Council may exercise a right to remove an item from the Consent Calendar prior to said vote, so that the item may be discussed and receive an individual recommendation by the Committee. All items totaling more than fifty-thousand dollars ($50,000.00/100) will be automatically discussed and receive a recommendation by the Committee. The purpose of this rule is to ensure meeting efficiency without sacrificing any oversight by the Council, and also to encourage members of the Council to ask questions of Department Heads before meetings.

b. In the order set forth in Rules 11 and 12, the Council President shall request the Chairperson of the Committee referring said matters to the full Council to move for favorable action on the items to be considered on the Consent Calendar. c. Upon receiving a “second” to the motion for favorable action, the Council President shall request the Chairperson of the Committee to describe the items recommended for action on the Consent Calendar.

d. Prior to voting on the Consent Calendar, a member of the City Council may request that item(s) on the Consent Calendar receive separate consideration by the City Council in order to allow for discussion of the items, to cast a dissenting vote, or to abstain from voting on the item. There shall be one (1) roll call vote on the Consent Calendar, which shall be deemed to be a vote on each of the items on the Calendar. Any item removed from the Calendar for separate consideration shall be taken up and vote upon immediately following the vote on the Consent Calendar.

**RULE 14:** Notwithstanding anything to the contrary in these rules, as part of the Consent Calendar at the first Regular Business meeting each year, an Omnibus Resolution of Congratulations and/or Condolences shall be considered. Upon passage of said Resolution or Resolutions, a number shall be assigned to the Resolution by the City Clerk.
If during the year, subsequent to a Regular Business meeting, any Council Member considers it appropriate that the congratulations or condolences of the City should be offered to any citizen, the Council Member may contact the City Clerk who shall prepare the congratulations or condolences in resolution form with appropriate language, using the omnibus number previously assigned, followed by an alphabetical letter. Upon receipt of such request, the Council President shall refer the requesting citizen to the Committee to which the proposed Resolution or Ordinance has been referred and the citizen shall be granted an opportunity to appear before the Committee at is scheduled Committee meeting, to present his or her views relative to the proposed Resolution or Ordinance. No citizen’s remarks on any item may exceed ten (10) minutes; however, the ten (10) minute limitation may be waived by a majority voice vote. This time limitation shall not apply to any individual, entity or designee thereof, specifically invited to appear and speak on a properly noticed topic.

Upon favorable majority vote of the City Council, the citizen shall be permitted to appear at a regular or special session, at a time, place and duration to be determined by the Council President, to present his or her views on the docketed Resolution or Ordinance.

All proposed Ordinances and Resolutions shall be printed on paper delineating line numbers for ease in reference to specific parts of the proposed Ordinance or Resolution.

h. No items or business shall be considered as having been introduced unless it shall have been so presented at the docket session and ordered to appear on the printed docket, as is so prepared and presented in final and complete proposed form to the City Clerk, all as required by these rules, unless the Council by unanimous vote of those present shall allow the introduction of such from the floor without it having been so presented, docketed, prepared or presented to the City Clerk.

n. Upon becoming effective, the City Clerk may be assigned to such proposed Resolution or Ordinance any number consistent with the indexing and filing requirements of the Clerk’s office.

o. Council members must provide ample information for the Council Solicitor to effectively draft their proposed Resolutions and Ordinances. When the Council Solicitor has received sufficient information from the Sponsor to draft the desired legislation, it shall be drafted and submitted to the Sponsor for review. Until the Sponsor confirms that the drafted legislation is acceptable and requests for it to be docketed, the legislation shall not appear on the docket. However, once the Sponsor confirms said legislation is acceptable and requests it appear on the docket, it shall be placed on the agenda. The City Clerk will then add the proposed Ordinance/Resolution to the next scheduled City Council Docket.

p. Sponsors of legislation that request such be on the docket have a responsibility to seek to have their legislation addressed at the meeting for which it is docketed, barring unforeseen circumstances. Legislation that has appeared on the docket for two (2) meetings but is not discussed and voted upon by request of the Sponsor shall be removed from the docket until such time as the Sponsor is prepared to have the legislation discussed and voted upon.
