Re: Bid #2016-298 Grass Seed

We have reviewed the two bids submitted and recommend award to SiteOne Landscape Supply. This vendor offers a local Warwick pick up location. The other bidder stated the City can pick up seed at a Taunton, MA location; however, it is not the vendor that is listed in the bid documents. Therefore, this department finds SiteOne Landscape Supply to be the lowest qualified bidder. The recommended cap is \$3,000.00 for one year.

Re: Request for Spending Authorization – SMS for Internet Evidence Finder/Magnet Forensics
City Ordinance 56-6: Exception to Notice Requirement” Renewal of Licenses
Purchase SMS for Internet Evidence Finder Advanced Edition
Funding Source: Police Operating Budget Code: 30-340

Dear Mrs. Peshka:

The Police Department is seeking authorization to purchase an advanced edition of specialized equipment we already possess. This equipment consists of four licenses of the SMS for Internet Evidence Finder Advanced Edition, which is a step up from the current equipment access of standard edition plus software updates.

This is a specialized computer forensics package that offers a unique combination of abilities that is not offered by any other single product. As a result it is very widely used by most top law enforcement agencies. This product is only offered by Magnet Forensics as a Joint Application Development (JAD) Software product and has won awards as “Computer Forensics Software Product of the year”.

We request the renewal purchase of 4 licenses for the Advanced Edition, as we have 4 CFU workstations and 4 Forensic examiners. These numerous licenses also allow for portability at remote locations via laptop internet access.

The costs are as follows:

4 Internet Evidence Finder Advanced Edition Licenses, with LE Discount @ \$450.00 each.....	\$1,800.00
4 Internet Evidence Finder Mobile Artifacts Edition @250.00 each.....	\$1,000.00
Total	\$2,800.00

Since these are licenses, there are no shipping and handling charges for this purchase.
Funding for this item, if approved, will come from Police Operating Budget Code- 30-340.

Please contact me if you have any questions.

Sincerely,

Robert S. Nelson
